Secretary:

Motion to accept Last month's meeting minutes as posted and distributed via email was put forward by John Nanney.

Seconded by Steve Martin

Discussion – None

Director Halle conducted a vote.

Motion passed.

Reports from Officers:

**Director:** We have a mission coming up on November 28, 2021 for Richard Brantley Vietnam veteran that was injured in combat. Requesting all hands-on deck because the ALR has been requested to perform all military honors.

East Meets West is scheduled for July 29<sup>th</sup>, 2022 in Spokane WA – many of the riders that came out here for this years event were from the Spokane area, it would be nice if we could coordinate a group and support them next year.

**Assistant Director:** None.

**Treasurer:** It was suggested that we update who should be placed on the Post sub-bank account for the ALR. Therefore a motion was put on the floor by John Nanney to elect Rick Halle and John Nanney as ALR signatories for the account.

Seconded by Zach Halle

Discussion: No further discussion.

The Director held a vote – motion passed.

**Run Coordinator:** NA

**Chaplain:** NA

**Communications:** NA

**Membership:** NA

**Historian:** NA

**Sgt at Arms:** None

**Guest:** Dan Halverson introduced himself to the membership. And discussed the following points:

- It is real important and a strategic initiative to bring all ALR Chapters together as one consistent group. Each chapter individual and unique however our presentation to the public needs to be consistent, therefore this will be a leadership focus.

- Reminder that any money that the ALR brings in, is Post money. This is because the ALR is a program of the Post and the ALRs bank account is under the umbrella of the Post. It is important to have a good working relationship with the Post.
  - Case in point one Chapter recently almost lost its charter because they were refusing to recognize the Post.
- Legacy Run – Money raised in the Legacy Run is earmarked for our Scholarship Fund for descendants of passed or disabled veterans. Until now the Legacy Run was seen as only an ALR activity – it is now changing to make the Legacy Run a Post level event to draw on more resources and create a combined effort.
